

OUTDOOR CHALLENGE EVENTS

INITIATIVE

teamwork FUN!

CHALLENGE: a task, undertaking to test one's power and capabilities to the full. (Chambers)

Depending on context, the word CHALLENGE conjures up a variety of meanings - often implying the use of physical strength. Our Challenges rely more on skill than physical prowess and can be undertaken by any adult who has a reasonable level of fitness.

Each event is designed, in consultation with the client group, by experts who use their specialist knowledge to produce a fun packed learning experience using a variety of outdoor activities and development exercises

"I am sure that everyone who took part will have benefited from the experience, both in terms of personal development and by the fostering of the principles of sound teamwork and the use of initiative."

Manx Electricity Authority

SOMETHING FOR EVERYONE

The Team Challenge concept can be used by any company to enhance teamwork within a small working group or it can be a larger company, group or industry wide event.

It is flexible as well as effective.

"Despite the weather and the gruelling challenges, everyone, without exception, gained a great deal of personal achievement from the event."

Eagle Star International

THE LOCHGOILHEAD CENTRE

The Lochgoilhead Centre is situated amongst magnificent scenery on the west coast of Scotland, just over an hour from Glasgow. It is made up of a highly experienced team of outdoor pursuit professionals and specialists from the world of development training. They have a wealth of experience in organising challenge events with an emphasis on development.

In recent years they have designed events for the power, legal, banking, retail and whisky industries.

SAFETY

Relax and watch your colleagues develop into an efficient working team secure in the knowledge that safety is of paramount importance on any event. All staff members are fully qualified and activities are run in accordance with governing body guidelines.

Why not invite other departments or your competitors to pit their wits against yours in an exciting outdoor event?
